Palikir 20W Solar Street Light

The LED Street Light-FHS is a good choice to be used in parking spaces. It comes with an IP65 waterproof rating, so it can be installed outdoors, regardless of the weather conditions. Also, the street light generates super bright light that is enough to illuminate the parking space, making it easy for drivers to see the markings even when it is dark.

Provide real-time monitoring of lithium-ion battery capacity with automatic detection, then automatically control the drive power and adjust light brightness by its pulse width modulation (PWM). The 20w solar street lamp is ...

We cover both the integrated All-in-one solar LED street light and split solar LED street light in our product range.
