

Wellington Power Tools Lithium Battery

Which battery is best for cordless tools?

Lithium-ion batteries: Lithium-ion batteries have replaced nickel-cadmium batteries as the preferred power source for cordless tools. These batteries are lighter, longer-lasting, and provide more power than traditional batteries.

Are Li-ion batteries compatible with cordless tools?

Different batteries use different chemical compositions, and some are not compatible with certain tools. It is important to choose a battery with the correct chemical composition for your tool. For example, Li-ion batteries may not be compatible with older cordless tools that were designed to use NiCd batteries.

Do power tool batteries have a warranty?

All our power tool batteries products are sourced locally and carry a manufacturer warranty. If there is a particular after market power tool battery you require that we do not currently have listed, please contact one of our battery experts and we will do our best to find the right model for you.

What brands of tools does Wellington offer?

We proudly offer Wellington's largest range of industry-leading brands, including Makita, Milwaukee, and Festool. If you're looking for a specific tool or model, don't hesitate to ask - if we don't have it in stock, we can often source it for you quickly and efficiently.

Are cordless tool batteries worth it?

By doing your research and knowing which brands are compatible with each other, you can save money on replacement batteries and ensure that your tools are always ready to go. Cordless tool batteries are a convenient way to power your DIY projects or work tools, but they can also be costly to replace.

What are the best power tool battery brands?

Tool Den stocks only the best power tool batteries from the top brands ranging from Milwaukee to Bosch, Makita, Dewalt and more. So whether you need a replacement drill battery, a screwdriver battery, saw battery or another type of cordless power tool battery - our high quality, trusted, genuine battery range has you covered.
